Sir,

I have the honor to enclose herewith Certificate of Recommendation No. 7372 relating to my fee coupon the S W ¼ of Sec 9 Twp 8 Rge 4 West of the 4th which I beg that you will see fit to extend to end of 1923.

I was overseas enlisting May 2nd 1916 and being discharged Nov 30th 1919, and since returning have been unable to perform the homestead duties as could not take up the fee coupon as a soldier grant since that time I have been employed on the Provincial Secretary staff of the Alberta Government Telephone. I have however kept my farm under cultivation each year but, as you know, the crops on Southern Alberta have been very poor for several years. I had hoped that I would be able to pay off my fee coupon this year as I had 10 acres of wheat on it as mentioned, but the heavy hail storm on July 9th totally destroyed it. It did come back a little but I did not get more than enough to pay expenses.

I have also had very heavy personal expenses this year as my wife was ill and had to have a very serious operation.

I may say that I have left the land absolutely clean of all encumbrances in the way of mortgages, and have not sold or any form or consideration — that part of the country. The final proof from the farm would be to afford — the fee coupon payment.

In these circumstances I hope that you will be able to grant the request.

S.W.¼ 9-5-9-W.4th M.

When Mr. Orilvie made application for preemption patent he claimed six years residence on the homestead and Overseas Service from the 29th of May, 1916, to the 1st of December, 1919. He received a certificate of recommendation which expired on the 20th of January, 1921, and he has made application to have it extended.

He states in his letter of the 19th ultimo that he is not residing on the land, that he is farming it, and according to the statements in his letter it does not appear that he intends to mortgage the land.

I would, therefore, recommend extension of time to the 1st of November, 1923, within which to complete payments.

Dear Sir

S W q-5 q W 4th

Replying to yours of the 23rd inst regarding the above, it is impossible for me to make any payment on this preemption. On my return from overseas I was unable to take up the hard work of farming and as I am a married man with one child, my comparatively small salary with the Selfridges was just sufficient to keep me afloat into in farming down there had agreed this spring to take over my homestead and would eventually have taken over the preemption also - any payments made me on the homestead being turned over towards the amount due on the pre emption. This arrangement depended entirely on crop conditions and as you know the crops in that district are practically a complete failure this season as they have been for some time. It is therefore problematical as to what he will do. He may decide to move altogether as so many are doing from that part. However I am writing him to see

of this plan. Personally I would make nothing out of the sale and it was only in an endeavor to clear up the supposition that I made the arrangement

Yours truly

Sir,-

S.E.¼ of Sec. 10 Tp. 5 Rge. 9 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to anotner homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Referring to the above land, I would draw your attention to the remarks contained in the report of Mr. Homestead Inspector Simmons, marked hereunder, and to say that in view of the very unsatisfactory nature of the residence claimed and the practical impossibility of securing definite dates, together with the circumstances of the homesteader, I think the Department would be justified in cancelling his pre-emption, as suggested by the Inspector.

I would be glad to have your decision.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to report that in the year 1922, A.E. Johnson received from the Province of Alberta, advances of fodder to the extent of $360.75 and under the agreement as existing between the Province and the Dominion relative to those distributions, the latter reimbursed the former in the amount of fifty per cent of the principal advanced or — $180.38. Certain collections were subsequently made by the Province and fifty per cent thereof remitted to the Dominion leaving a balance due both to the Province and the Dominion as on December 12th last of $246.38 each. On that date he made payment to the Province of $369.00 in full settlement of all his indebtedness which included certain Seed Grain charges to the Province in which the Dominion is not interested. This payment was pro-rated between the Seed Grain and Fodder resulting in the sum of $308.08 being applied to the latter, fifty per cent of which was forwarded to the Dominion leaving a balance due on this account to both creditors of $46.38 each.

The undersigned also begs to report that an investigation made by the Director of the Debt Adjustment Act of Alberta, a copy of whose report is attached hereto discloses the facts that this settler owes other creditors the sum of $4200.00 with whom he has effected a compromise and that his land, valued only at $1200.00, is situated in a dry area where profitable crops are rare.

The Committee appointed by your Excellency in Council on November 22nd, 1927, P.C. 2230, to deal with the apportionment and adjustment of indebtedness incurred for seed grain, fodder and relief, unanimously recommends the acceptance of said payment of $369.00 in full settlement, as per copy of their report also attached hereto, and the undersigned, therefore, under and by virtue of the provisions of Section 1 of the Act 17, George V., Chapter 31, respectfully recommends that said settlement be accepted and that authority be given to discharge and release the balance due His Majesty in the right of the Dominion both as to principal

and interest, in respect of the advances to the said A.E. Johnson hereinbefore referred to, and to take any other action necessary to clear the records of the Land Titles Office in that regard.

Explanation to accompany Memo to Council.

A.E. Johnson was granted advances on account of Seed Grain and Fodder by the Province of Alberta. Fifty per cent of the fodder advance became chargeable to the Dominion under the agreement with the Province.

This settler has defaulted in payment, owed other creditors $4200.00 with whom he has compromised and has tendered the sum of $2069.00 in full settlement of his indebtedness to both the Province and the Dominion which amounts to approximately $827.60.

The Committee appointed by Order-in-Council P.C. 200, recommends a settlement on this basis.

MAR 19 1928

To concur in such settlement means that the Dominion Government will have to write off a balance of $48.30.

It is therefore proposed to approve of the settlement as recommended by said Committee.

Re: Alfred T. West
&
Matthias Kurtz,
E.½ 31-10-11-4,
Lots 16 & 17, Block 2,
Plan 6842-B.I. Etzikom.

The Seed Grain, Fodder and Relief indebtedness as outstanding against the above has received the investigation and recommendation of the Adjustment Board of Alberta as per reports attached to file immediately hereunder in which they recommend in part that all indebtedness be retained as a charge against the East Half of 31-10-11-W.4th until such time as the present owner pays in full or applies for an adjustment.

The application for an adjustment in this case was made by certain parties interested in the Town Lots as above described, representations being made that the 1915 advance of Seed Grain in the amount of $240.00 as made to Alfred West on the East Half of 3 was also a potential charge against the Town Lots since he had become registered owner of the same subsequent to the incurrence of the indebtedness. Title apparently still stands in his name but he became bankrupt and certain of his assets have been taken over by mortgagees who have secured an offer of $50.00 for these Lots, the whole of which amount will be required in payment of fees and other expenses in order to secure title from the Trustee in Bankruptcy and to transfer the Lots to the purchaser.

It will be understood that although the lien is not at present specifically registered it will automatically record against title as soon as it is dealt in, and the Board, therefore, recommends that instructions be given to the Registrar to suspend the operation of Section 4, Sub-Section 2, Chapter 14, Statutes of Alberta 1915 in so far as the Lots are concerned.

In so far as liens attaching to "after acquired" Town property especially when of insignificant value, it has been the procedure to remove the same by Departmental action and without the requiring of an Order-in-Council and I would suggest that the interested parties

Dear Sir:

Re: 783

Dominion Advance ...

The above Board Order referred to the sale of the S½ 31-10-11-W.4th under the provisions of the Tax Recovery Act to Clementina Hurts who agreed to assume liability for the dominion liens. What transpired after that is not exactly clear but another individual now appears in the records of the Municipal District as the purchaser of this land which was sold to him in 1927 for the sum of Two thousand one hundred and twenty-six dollars and eighty-three cents ($2,126.83). He has now completed payments called for in the Agreement for Sale and demands a clear title for the above property which the municipality finds it necessary to deliver.

The purchaser contends that through circumstances existing at the time of purchasing of the land he was forced to pay somewhat more than it's actual value and the Secretary-Treasurer of the municipality agrees to the extent that the purchaser paid sufficient for the property in view of its location in the South-Eastern corner of the province which suffers consistently from drought.

Taxes outstanding at the date of sale were One thousand five hundred and forty-two dollars and forty-six cents ($1,542.46) and I would recommend that the proceeds of the sale be distributed on a pro rata basis after adjusting the Dominion and Joint Relief Advances and including accrued interest to 1927 only which will result in the following balances:

Dominion Account	$227.42
Joint Relief	491.02

The allocations of the proceeds of the sale will be as follows:

Costs	25.00
Taxes	1,497.58
Dominion Account	213.43
Joint Relief	[illegible]
	$2,1[illegible].03

I would further recommend that after application of the sums called for [illegible] above be released and the balance of the account be written off as uncollectable.

Provincial Seed Grain Advances of fifty-eight dollars and seventy-five cents ($58.75) have already been cancelled together with accrued interest.

Yours very truly,

Where the applicant is unable to subscribe to the statements in paragraphs (a), (b) and (c) of this Declaration he is not to be granted entry unless there be produced satisfactory proof that the Soldier Settlement Board of the District [illegible] agrees to waive its claims in connection therewith. Applications will also not be dealt with by the Board, [illegible] the Board, explaining on what grounds they are applying for special treatment.

5.(1) Section 5 of Section 15 of the Soldier Settlement Act, 1919, provides as follows:—

"Unless the Board shall, for special reasons, otherwise recommend, no such free grant shall be made to any settler who,—

(a) has, pursuant to the provisions of this Act, purchased from the Board any land; or,

(b) has, pursuant to the provisions of this or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of, or has a vested, possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which in the opinion of the Board, is of the value of five thousand dollars."

If the settler is unable to subscribe to the statements in paragraphs marked (a), (b) and (c) of the Declaration, he is not to be granted entry unless specially recommended by the Board.

With respect to the information called for in paragraphs (d) and (e) of the Declaration, the Soldier Settlement Board considers that as a rule a farm of 320 acres may be considered an average farm for the western provinces for the purposes of section 15 of the Act. If, therefore, from the information furnished by the settler, it appears that he is owner of, or has vested, possessory interest in agricultural land of an area amounting to a half section (320 acres more or less) the settler's application is not to be entertained, unless he has been specially recommended for entry by the Board.

If the applicant is owner of, or has vested, possessory interest in agricultural land the value of which is $5,000, he should be deemed disqualified unless he has been specially recommended by the Board. The present selling value of the land is to be accepted as its value for the purposes of the affidavit.

For the purposes of Section 15 of the Act, land owned by the husband or wife of the applicant is deemed to be owned by the applicant.

Sir:-

S.W. 34-29-10-W.4th M.

I beg to inform you that Charles A. Donaldson has abandoned his pre-emption entry for the above described land and made application for same as a soldier grant, surrendering S.S.B. Form 287, copy enclosed, specially recommending Mr. Donaldson for this conversion as having received advances for improvements and operating the N.½ of 22-29-10-W.4th M.

In his affidavit, in support of his application it is shown that Mr. Donaldson holds the N.½ of 22-29-10-W.4th M. which is patented to him and the S.W. 34-29-10-W.4th M. his patented homestead, in addition to the quarter applied for as soldier grant.

As the regulations state:

"If, therefore, from the information
"furnished by the settler it appears
"that he is owner of, or has vested,
"possessory interest in agricultural
"land of an area amounting to a half
"section (320 acres more or less) the
"settler's application is not to be
"entertained, unless he has been
"specially recommended for entry by

I would ask you to advise me as to whether or not the Board are willing to confirm this soldier grant entry notwithstanding the fact that Mr. Donaldson apparently now holds 480 acres of land in addition to the quarter applied for as a soldier grant.

By agreement of the 2nd July last, T. F. Dowmish, Glenville, Ireland, advanced $700.00 on a loan to improve and cultivate the lands. The understanding is to be carried on under the name of the "PRAIRIE HOME FARMING COMPANY" and may be converted into a joint stock company by consent.

Each of the entrants undertakes to perform the necessary duties and secure patent, and they also agree to assign and transfer the patent and the land thereto granted, to the partnership.

The action of the entrants referred to, is a violation of section 38 of the Dominion Lands Act, and in his letter of the 14th ultimo, Mr. A. F. Connor, barrister at Battler, states that the understandings entered into the agreement of the loan not knowing that the terms were not in accordance with the homestead law, but all in good faith.

I, J.W.N. Bearish of the postoffice of Bassano in the Province of Alberta, farmer, do solemnly declare:-----

That the agreement entered into with regard to my homestead, pre-emption and South African Volunteer Scrip was made in Great Britain, from where I emigrated, together with H.D. Connor, A.F. Bearish in consideration of scrip, namely the sum of $7500.00 which he advanced us and at the time it was made was in perfect good faith, and without knowledge and in ignorance of the requirements of The Dominion Lands Act. Had I known such regulations, I would not have entered into the arrangement, nor would the advance have been made by the said W.H. Bearish, but after having received the funds on the strength and faith of carrying out here the said agreement made in Great Britain, it appeared to me and to the said other parties, that it would have been a breach of our duty to the lender of the money not to have done so nor to attempt to procure the approval and consent of the Minister of the Interior to the said agreement being carried into effect.

Sir; Re West ½-5-29-7-W 4th Mer.

With further reference to the cancellation proceedings pending against your S.A.V. scrip location, above mentioned, I beg to say that the Department is now in receipt of a report from a Homestead Inspector, wherein is set forth the manner in which you have been performing your settlement duties.

It appears you have been absent from your land since the 31st of October last, and, therefore, your entry is in very serious default in this particular. It is also observed that the residence performed by you during the year 1911, does not comprise a full term of six months. This residence can, therefore, not be counted to your advantage.

You will be given thirty days from this date to satisfy the local Agent at Calgary that you are then in actual residence upon your land with the intention of remaining and completing your duties, and I am to warn you should you fail to comply with the terms of this letter by the date mentioned, the summary cancellation of your entry may possibly ensue.

Sir,

Encl.

I beg to return herewith the application for patent of Mr. Edward T. Russell, for the West half of Section 5, Township 29, Range 7, West of the 4th Meridian, upon which he has located a Volunteer Bounty Land Warrant, reference 69638-67772, and to draw attention to the manner in which he claims to have performed his residence duties during the year 1911.

According to a report made by Mr. Homestead Inspector Woodlock on the 24th of July, 1912, the following residence was performed during the year 1911,-

"March 25th, 1911, until April 18th, 1911, May 31 days, June 14 days, July 31, August 21 days, September 30 days, October 21 days - in 1911."

The report concludes in the following way,-

"Entrant is going to build a house on above land in August and will move his family on said land. So he says. He is trying to do to much, put in residence duties on his homestead and this land at same time."

The statements in regard to the manner in which the residence has been put in during 1911 do not agree as you will observe and the application for patent cannot be accepted until is is properly shown that the residence duties have been properly completed.

Assistant Secretary.

Sir:-

I beg to acknowledge receipt of your letter of the 11th inst., and in reply I would advise that I had an opportunity of interviewing Mr. Woodlock in connection with his report comprising the W. ½ of Section 5-29-7-5. 4th Mer., your homestead and pre-emption entries, and to inform you that the dates of residence as furnished in his report of the 24th of July, 1913, are the exact dates as given by yourself. He also informed me that he called upon two or three of your neighbors, and they were unable to state definitely just what residence you had performed on your land.

I am, however, communicating with Mr. Homestead Inspector Hagee by means of a copy of this letter, requesting him the first time he is in the vicinity of your land to call upon you and ascertain the exact dates of residence that have been performed by you, and to also call upon as many of your neighbors as possible, who are in a position to state definitely what they know of your residence duties. When this report comes to hand your application for patent will be further considered.

MEMORANDUM.

Mr. Hume.

Application for patent of Mr. E. T. Russell, for the West ½ of Section 5-27-7-4th-M. V.B.L.S.

Mr. Russell made application for patent and claimed residence as shown on form #53.

As the Homestead Inspector visited the above land in the 27th July 1912 and did not credit Mr. Russell with any residence in that year and also the residence given in 1911 did not agree with the Homesteader's statements, the application was returned to the Agent, who was informed that the statements in regard to the manner in which the residence duties had been performed during 1911 could not be accepted and that the Homesteader would have to show that the residence duties had been properly completed.

On the 13th ultimo, the Agent requested the Homestead Inspector to make a careful investigation into this case and Inspector Motee furnished a report giving the same residence as claimed by the applicant in his application for patent.

He also enclosed three declarations from persons residing in the vicinity in favor of the Homesteader.

On the 23rd December last the Agent informed Mr. Russell that Homestead Inspector Woodlock had informed him that the dates of residence as furnished in his report of the 26th July, 1912 are the exact dates as given by Russell.

Please say if you will accept the application as satisfactory.

You no doubt understand if the vicinity had a series of wet years the value of this land - which from a physical point of view is suitable for farming - would be very materially increased but at present time basing it on a cropping or grazing possibility I am only able to compare it with what the lands are selling for in the vicinity.

General Remarks Continued:—

S.E.¼ of 5-29-7, W. 4th, I beg to state that I am unable to place a greater valuation at the present time on this quarter than $3 per acre owing to the fact that land in that vicinity can be purchased for even less. You no doubt understand if the vicinity had a series of wet years the value of this land - which from a physical point of view is suitable for farming - would be very materially increased but at present time basing it on a cropping or grazing possibility I am only able to compare it with what the lands are selling for in the vicinity.

land, which was evidently afforested property.

[redacted]

This land would also appear to be afforested property of the Town, but the only evidence on file is contained in a letter from the Secretary Treasurer of the Municipal District of Bonanza dated stating that the Edward E. Bennett liens are recorded against title.

According to Dominion Inspectors' reports of November last the S.½-6-9-1-W.4th from a physical point of view is suitable for farming but is evidently situated within a drought area, and it is stated that the value would be materially increased if a series of wet years were to prevail, and the valuation is placed on the basis of lands selling in that vicinity at $5.00 per acre; the S.E.-6-9-1-W.4th is described as stony land, very cobbly, the brush upon being fit for cultivation, the improvements consist of 1 mile fencing valued at $[illegible] and 120 acres breaking - $[illegible], the valuation of the land is $5.00 per acre; the S.W.-6-9-1-W.4th is described as sandy with clay loam sub-soil, no improvements, and the valuation of the land is $5.00 per acre.

Representations have been made in connection with the S.½-6-9-1-W.4th by the Secretary Treasurer of the Municipal District of Bonanza [illegible] as follows:-

"As you no doubt know this Municipal District was built [illegible] on the crops and as have been trying to sell some in order to get it back producing revenue again. LAND TITLES BUILDING

CALGARY, ALBERTA

3. [illegible]

[illegible] Title was transferred to the Municipal District of [illegible] who have probably sold the property for $600.00 each and have therefore applied for adjustment of the bonds.

I believe that the sale price represents the fair value of this property as it is situated in a poor district where crops have frequently failed and is itself a poor quarter section, in which the soil is alkaline and gumbo and an unfit for cultivation.

As a pro rata distribution of the sum of $4[illegible] leaves something of the proceeds of sale after deduction of the costs of taking title and effecting sale, between the taxes amounting to $[illegible] and the seed grain, fodder and relief indebtedness amounting to $[illegible] it has been ascertained that the pro rata[illegible] of the seed grain, fodder and relief amounts to $[illegible], I attach my cheque for that sum payable to the Provincial Controller, Department of the Interior and recommend that the lands registered in the said Department thereon, be released from the Certificate of Title to N.E. [illegible] 4th.

4. [illegible]

This is the District's cancelled production and is one vacant lease land. The whole indebtedness constitutes a charge against it, and should anyone obtain entry he would be required to assume the liability, subject to adjustment.

The Homestead Inspector has reported that while this quarter section from a physical point of view is fit for farming, it is situated within the drought area and has a minimum value of $[illegible] per acre. It is near Oyen in a District which has suffered more than [illegible] rather than gain from drought, with the result that crops there are practically a complete failure.

In view of the low value of this property, it is felt that the retention of the seed grain, fodder and relief indebtedness against it will tend to deter bona fide settlers, and, should anyone [illegible] the liability, to handicap him and to increase the liabilities of the Department.

As it is impossible to render any satisfactory service towards bringing this property into a state of productivity, it is recommended that the portion of the seed grain, fodder and relief indebtedness to retained against it.

5. [illegible]

This was a Dominion Power Lease Grant, issued to [illegible] on [illegible] 1919. It is retained as original security for the seed grain, fodder and relief indebtedness by the Department of the Interior and was in fact, listed as land [illegible] it intended to use the seed grain in the original application thereby by the latter.

[illegible]

A search of the certificate of title discloses that [illegible] have ever been registered by the owner, that it was mortgaged to the Manufacturers Life Insurance Company on January 7th, 1933, and that the mortgage was registered on the title on January 14th, 1933.

As a result of foreclosure of this mortgage title vested in the Manufacturer's Life Insurance Company on February 3rd, 1936. In the circumstances it would be manifestly unjust to attempt to register the liens now.

In examination of the omission to register with the Registrar of Land Titles has informed me that the liens in the General Register show as being charges on Edward Russell Thomas title to his property, prior to foreclosure, was registered in the name of Edward Thomas Russell, with the result that it was assumed that the debtor in question and the registered owner of the property were not the same party.

It is therefore recommended that the Registrar of the South Liberty Land Registration District be authorized to waive the operation of Subsection 2, Section 4, Chapter 14 of the Acts [illegible] of Liberia in so far as the registration of liens for [illegible] Edward Thomas Russell on title to this property, is [illegible].

4. [illegible]

The Department of the Interior have reported with respect to "Silverstone Security". It was not originally security for these advances as title only vested in Edward Thomas Russell on [illegible] 1936.

The Department of the Interior state that [illegible] the liens are registered on the title but a search of the certificate of title Russell is still shown as registered owner would be [illegible] property mentioned, as there are no liens registered on it.

There is, however, a mortgage given by [illegible] Building Association now registered on January 14th, 1933, on which no attested title, and later transferred to Thomas Edward Russell. There is a second mortgage to [illegible] also registered on September 26th, 1933.

Apparently the Registrar of the South Liberty Land Registration District, failed to comply with the provisions of Subsection 2, Section 4, Chapter 14, of the Acts Statutes of Liberia in that no registration of liens for Russell's indebtedness to title to this property is recorded.

[illegible]

If he were to be restored to remit the omission of the life tax and were to register the deed, that would have given the encumbrances at present on the title, which would be different under to the letter of [illegible]

It would result in the application of the in ri [illegible] the time to make the necessary assessment their [illegible] on the title by the first purchaser.

[illegible] the occurrence of such an injustice, it is recommended that the Province of the South Alberta Land [illegible] Plaintiff be authorized to waive the operation of [illegible] Section 4, Chapter 24 of the 1st Statutes of Alberta [illegible] to the registration of liens for Dotsell's indebtedness [illegible] title if this property is [illegible].

4. Relief to the Purchaser.

Title to this property vested in Mrs. Dotsell on December 1st, 1930. The $10,000, for the sum [illegible] and Instrument registered on this date, under the provisions of Ordinance 1, Section 4, Chapter 24 of the 1st Statutes of Alberta [illegible] after acquired security.

As a result of proceedings under the Tax Enforcement Act, title was issued by the Municipal District of Foothills [illegible].

The Foothills Municipal made representations to the Department of the Province and requested an adjustment of the [illegible] a private sale, stating the facts were presented the [illegible] to the Board. He suggested as a reasonable sum that he was prepared if not right away the Municipal District but will [illegible] maybe be paid [illegible] for Dotsell had put title [illegible] were subject to the liens.

Dotsell has entered bankruptcy [illegible] and the matter has [illegible] or [illegible]

In pursuance the Inspect Dot Section [illegible] on the Secretary to be [illegible] of [illegible] of the [illegible] is [illegible] by a [illegible] Province. The residence is [illegible] of the Dotsell [illegible] sale. It is lower [illegible] [illegible] that about [illegible] are essentially [illegible].

[illegible] has stayed [illegible] for release of the [illegible] title to [illegible] sworn [illegible].

[illegible]

The four quarter sections described in the original security and dealt with under numbers 1, 2 and 3 above are of approximately equal value and each one is in fact worth more than Twelve's quarter section.

[illegible] the investigations were completed except the five quarter sections, [illegible] which [illegible] would be approximately [illegible].

[illegible] is willing to pay the full amount for release of the lien he will probably allow the [illegible] to remain on the [illegible] parcel, [illegible] amount necessary on the three will be much less than $[illegible].

[illegible] is therefore recommended that [illegible] be accepted as satisfactory and that the lien be released [illegible] $[illegible].

With further reference to your communication of the 10th ultimo, I might state that the S.E.¼ 8-29-7-4. 4th was taken by the Municipal District of Cowley Creek 3272 and was sold to Oswald O'Malley and the title stood in the name of this party.

The title to the N.E.¼ 26-28-6-4. 4th was forfeited to the Municipal District of Cullholme 1242 who has recently sold this property.

The E.E.¼ 26-28-6-4. 4th is now vacant Crown Land.

The S.¼ 8-29-7-4. 4th is not registered.

The S.E.¼ 8-29-7-4. 4th, apparently the Registrar of South Alberta Land Registration District, omitted to comply with the provisions of subsection 2, section 4, Chapter 14, of the 1918 Statutes of Alberta in so far as the registration of the liens for Russell's indebtedness to title to this property is concerned, so is not registered.
